B4Ukraine, in collaboration with the Kyiv School of Economics, is planning to publish a report containing information regarding your company's financial contributions in Russia. We are writing to formally enquire whether the following information is correct:

- **In 2022, Philip Morris International paid \$206 million in profit tax to Russia.**
- **This data indicates that Philip Morris International is among the highest contributors of profit taxes in Russia in 2023.**

Additionally, we would welcome your clarification on the following questions:

- **What was the company's total revenue in Russia for the year 2023?**
- **What was the total amount of tax the company paid in Russia in 2023?**

We would appreciate it if you could confirm the accuracy of this information or provide corrections if necessary, along with any supporting documents. We will be awaiting a response from you by **August 29, 2025**. If we don't receive a response from you, we will indicate this in our publication.

Yours truly,
